Dear [redacted]

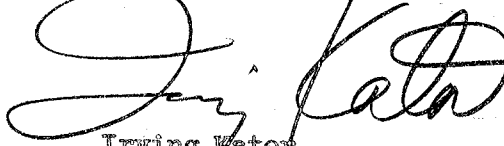

STAT

Following our procedure of last year, we will provide each carrier with a supply of its own brochure when the new brochures become available for distribution. This supply will be approximately ten percent of the number of enrollments in your plan and will be for your use in administering your plan.

If you would like to purchase additional brochures, you may do so by placing an order with the Government Printing Office at this time.

If you plan to place an order with GPO, please let me know within the next ten days. I will give you the requisition number which you can then relay to GPO in placing your order. Orders should be placed with Mr. Meema, ST 3-6840, extension 762.

Sincerely yours,

Irving Kator
Assistant to the Director
